1. does not close. Error W 50 vrs. This survey places the South East corner of Polk County 770 vrs South from the South Boundary Line of J. P. Dorenberg's 1st survey (3-83) while fieldnotes of the County Boundary, place the S. E. Corner of the County in said Dorenberg's S. P. line 150 vrs W from his S. E. corner. Which call is right?
2. calls the distance from High Jackson's (1-152 plat) S. W. corner to M. Victor's (3-35, 72) plat E corner 700 vrs, while the difference of these joining Council's Boundary lines is only 237. the S. P. line of said Victor's survey is by his fieldnotes 780 vrs long while the survey N^o 2 calls the same 1100 vrs.
3. correct on map.
4. correct on map. Part of it in Hardin County.
5. Seems to conflict with Jas Stephenson (pld 1-79)
all the foregoing numbers are, according to the fieldnotes of the Boundary survey of Polk County, partly situated in Hardin County, and conflict with H. & T. C. P. R. surveys in said County.
6. Correct on map.
7. Seems to conflict with Jas Stephenson (pld 1-79)
8. does not close Error N 118 vrs Error E. 39 vrs.
9. does not close Error S. 24 vrs. Error E 21 vrs.
10. He calls for the S. Garcia (pld 3-86) does not agree with the fieldnotes of the said Garcia's survey in regard to his connection with the M. Victor survey.
11. does not close Error N 84 vrs. W 2 vrs.
12. does not close Error N 124 vrs. E 2, 87 vrs.
13. } On a survey marked Thomas Murphy also in conflict with a survey in the name
14. } of M. Crane (2-106) The most part of N^o 13 seems to be in Hardin County.
15. On a survey in the name of John Thompson (file 1-318)
16. does not close Error N. 150 vrs. seems to conflict also with the afore said Thompson and his 1st surveys in the name of H. Burkhardt (2-14) and H. Gunther (2-4)
17. Seems to conflict with a 1st survey in the name of H. Gunther (2-4)
18. Seems to conflict slightly with H. Gunther 1st survey. (2-4)
19. } correct on map according to their connection with the C. S. Thomas Tract
20. }
21. Conflicts with H. Gunther's 1st survey (2-4)
22. does not close Error E. 50 vrs.
23. Correct on map.
24. does not close Error. N. 400 vrs E 379 and covers two surveys in the name of W. Davis and J. C. Pitt's Strip files 135 & 143. seems also to conflict with J. W. Moreland's 1st.
25. does not close by 23 vrs and when distribution of error is made contains 679 acres.
26. Correct on map according to his connection with the J. Duckman 1st survey.
27. Seems to conflict with N^o 6 of the Liberty County School Land survey's (pld 1-287) also with A. H. Hix's 1st survey (3-25) and S. Hoad's (3-29)

112/100
Lynchburg

- 28. Seems to conflict slightly with N^o 6 of Isberby County Wood Island surveys.
- 29. does not close Error S. 7000 vrs. Error. E. 6100 vrs.
- 30. Bearing of the 8th course omitted the calls in this survey dont agree with the map.
- 31. does not close Error N 108 vrs W 954 vrs. One course west entirely omitted. The length given for the last course does not agree with the length given by the adjoining surveys.
- 32. does not close Error N 64 vrs. Error E. 84 vrs.
- 33. does not close Error N 44 vrs. E 85 vrs.
- 34. Seems to conflict with Sumralls precept survey (3-474) for which it calls.
- 35.
- 36.
- 37.
- 38. does not close Error S. 92 vrs. E. 17 vrs.
- 39.
- 40. does not close Error E. 50 vrs.
- 41.
- 42. Error S. 244 vrs. E 40 vrs.
- 43. does not close Error S. 42 vrs. Error E. 175 vrs.
- 44. does not close Error N. 150 vrs.

All the surveys from N^o 1 to 44 with the exception of N^o 23 & 24 being corrected and having as beginning point the S.E. corner of Folk County; the real position of this point must be ascertained before any alteration on map can be made. The calls in the fieldnotes from N^o 25 to 44 for adjoining surveys dont agree with the map, if these surveys are placed on the map as they are connected among themselves.

- 45. does not close Error S. 1000 vrs.
- 46. correct on map.
- 47. } ^{surveys} that S.B. line of these 3 fieldnotes do not reach the S. B. line of the G.W. Lee's
- 48. } ^{1st} survey (1-171) as called for in their fieldnotes.
- 49. }
- 50. } Mostly in Tyler County. N^o 50, 51 & 52 otherwise correct on map.
- 51. }
- 52. }

- 53. According to the description of corners and line trees the J.W. Morelands titled League's N.E. B. line runs with the S.W. B. line of H.W. Augustine titled League, although their titles give different courses. According to the description of the ground N^o 53 and part of N^o 54 will be on the J.W. Morelands titled League.
- 54. does not close Error N 177 vrs. E. 24 vrs. Seems also to conflict with D.J. Nash titled League. Said Nash S.W. corner being according to his connection with H.W. Augustine titled League survey 2900 vrs S. 20 W from said Augustine N.W. corner while fieldnotes of N^o 54 calls the same distance 1500 vrs.
- 55. does not close Error S. 113, Error. W. 300 vrs

56. does not close Error N. 305 and Error E. 255 vrs.
57. does not close Error N. 688 vrs. Error W 897
58. does not close Error N 136 vrs Error E 167 vrs.
59. does not close Error S. 78 vrs. Error W. 502 covers a survey made for the Heirs of James S. Hill (3-307)
60. does not close Error N. 80 vrs.
61. does not close error N 117 vrs. Error E. 150 vrs.
62. does not close Error S. 308 Error W 81
63. seems to conflict slightly with E. Epperson ptd survey (2-252)
64. does not close Error N 194 vrs Error E 169 vrs.
65. does not close Error N 258 and Error E 262 vrs
66. does not close Error S. 681 vrs Error W 2552 vrs It seems that at least two courses are omitted.
67. does not close Error N. 259 and Error W 82 vrs.
68. does not close Error S. 53 vrs Error E 150 vrs.
- 69.
70. does not close. Difference between courses N 70 E and S 70 W 194 vrs between S 20 E and N 20 W 50 vrs covers a 17 acres ptd survey in the name of Thos Criswell (3-263) Field notes of N 20 E break the connection between the Thomas Cartright and John Burges 1/4th leagues. These two leagues are connected according their field notes at their respective S.W. and N.E. corners. The Francis Dunham ptd survey has his beginning corner also at the same corner calling for the S.W. corner of said Cartright and the N.E. corner of John Burges. The surveyor must verify to the fact, that on the ground, this connection really does not exist.
71. does not close Error N. 9 vrs. Error E. 82 vrs
72. does not close Error S 80 vrs Error W 62 vrs.

Copy of the above sent to the Surveyor. Also one to J. D. Giddings.
