

County Surveyor,

PRESIDIO COUNTY,

S. A. THOMPSON,
Surveyor.

Fort Davis, Texas, July 24th 1855

To Hon^{ble} W. L. Walsh
Commissioner of the Land Office
Austin Texas
Dear Sir

Herewith I send you ~~an~~ Certified corner-
ing line as run by me from the S.E. corner of
Survey No. 6 at Ft. Davis to the N.E. corner of Survey
No. 31 in Block No. 3, S. 4. 1/2 Sec. 9, T. 10 S. in this County.

I also enclose herewith ~~another~~ two other
connecting lines from said line to original
corner as found on the ground.

I also send you this day by Express, a copy
of a portion of this County, as I have com-
piled it from records & from data furnished
by actual surveys, and respectfully submit
it to you for examination.

I have done a great deal of field work in
order to get this map correct, and have search-
ed for all corners which are shown in my records.

I did not find any corner in block No. 1
S. 4. 1/2 Sec. 9, T. 10 S. as called for in the field notes

B

County Surveyor,

PRESIDIO COUNTY,

Fort Davis, Texas, 188...

S. A. THOMPSON,
Surveyor.
W. L. No. 10.2

although I have repeatedly searched for it -
nor do I find the course called for in Blk
#2 to H. A. Ryles, I do not think there course
was ever established, from the fact - that - on an
old Map of this block No. 2. They show the loca-
tion of "Ash-Creek" about the same as I find
it to be, and the course calling for an Ash
tree, falls a mile or more into the pine forest any
sign of timber,

The location of "Bee Horns" creek, and
"Cedar Creek" in Block No. 3 as shown on
my Map is almost the same as shown on
the old Map.

I do not know from actual survey the
location of survey No. 2 & 28 shown in dotted lines
in block No. 1. I would be glad to
have your opinion as to the correctness of the
Map.

I would also like to call your
attention to the location of Blk's "A. 1." + "A. 2"
in this County which I find to be different
ly situated from the way they are shown on
my County Map, and as their connections

B.

County Surveyor,

PRESIDIO COUNTY,

S. A. THOMPSON,
Surveyor.
W. C. W. No. 2.

Fort Davis, Texas, 188

line would show them to be,

I will be able in a short-time to file with you
a map showing the location of those blocks
as I find them by connection or found
on the ground, and if protests are not issued,
I would suggest - this being withheld as
I think there will be a conflict - another suit;

Yours Truly
S. A. Thompson
C. S. P. L.
