A scale of 2000 as to the inch

I W. W. Whitton Co Surveyor of Paul Augustin Co do hereby certify that the above Plat is true and correct as I find the same surveys on the ground by actual measurement with a variation of 9' 20"

I also certify that the S. E. cor of the A. A. Dickerson preemption Survey is S 87° W 170 as from the S. W. corner of the N. W. Sattimer Survey (instead of S 20° W 300 as from S. W. Sattimer's S. E. as stated in said Dickerson's field notes) Given under my hand at Paul Augustin on this the 21st day of June A. D. 1875
