

Baird Tex June the 6. 1889

Mr M. M. Hall Austin Tex

Dear sir please Examine the following Sketch and report what disposition you make of it. I have Surveyed the land and find it to be vacant according to surrounding Surveys corners marked thus x have been found and proved to be the established corners of the Surveys as shown in Sketch

I M. M. Hailey Surveyor of Callahan County Tex hereby certify that the above Sketch is a true and correct one and made by an actual Surveyor on the ground with chain carriers duly qualified
M. M. Hailey
Surveyor C. C. Tex

By the above vacancy is 122 rods in width - Also what disposition can be made of the Wheeler Survey it calls for beginning at NE cor of Victoria and also running to NW cor of Flays, thus making the NE line 122 rods longer than SE line of same.
