

In locating the vacant land for J. E. Sorrell & W. H. Gibbins I began at the S. W. corner of survey No 132 in the name of J. Newoth which is on the Base line run by J. Harvey in 1847 said corner being the N. E. corner of survey No 133 then in the name of J. Orth, but now the N. E. corner of survey No 4 in the name of Thaxton, thence South 950 ons to the S. E. corner of survey No 133 which is or was the N. E. corner of survey No 134 in the name of J. Orth, thence South 950 ons to the N. W. cor of survey No 135 in the name of Jacob, muren It being the N. E. corner of survey No 17 in the name of H & T C R R Co, thence South 950 ons to the S. W. cor of survey No 135 it being the N. W. cor of survey No 136, in the name of H Kratzmeyer thence S 950 ons to stake for S. W. cor of No 136 and N. E. cor of 137 thence west 950 ons to N. W. cor of No 137 thence South at 704 ons crosses Brady Creek 950 ons to stake for the S. W. cor of 137 and the N. W. cor of 140, thence South 950 ons to stake for S. W. cor of No 140 and N. E. cor of 138. in the name of J. C. Moore. now survey No 138 was located by Jacob Weil and also 139 which is the South part of the J. C. Moore. No 138, and it calls to corner with survey No 9 in the name of H. Gossw-dorf thence East 950 ons to the S. W. cor of survey No 140 in the name of Althuis, thence I ran East 950 ons to stake for the S. E. cor of 140 which is the S. W. cor of No 141 in the name of Kratzmeyer thence I ran East locating the survey No 141 and Mrs E. J. Randolph and found the vacancy to extend North of Brady's creek.

I then began at the N.E. cor of Sur No 1
in the name of G C & S F R R which is the
South W. cor of a Heise. Sur. This corner is
on the Base line and is still good. Made by
Geo Harvey in 1847, I then ran East with
old Hack line to the N.E. cor of Sur No 150 in the name
of F Lock Thence S to S.E. cor of F Lock Thence
west to the N.W. cor of No 69 in the name of W.K.
Paulding found no corner Thence South
with Hack line made by W.B. Hayes to
a cor on the Saw Soba river with two Elms
for bearings made by W.B. Hayes. I then
meandered the Saw Soba river up to the
south west cor of Sur No 70 in the name of
Thomas Green Thence North gave the
distance then East 950 ons to stake in the
West B Line of No 69. Thence North with
W.B. line of 69 to its N.W. cor Thence I went
to the South East cor of Sur No 147 I ran
made before and ran South 500 ons and found
the N.W. cor of Sur No. 69 to be 218 ons west of
this point I then return to the S.E. cor of No
147. and ran North 800 ons East 400 ons then
South 1100 ons to stk for the N.E. cor of No 147
and S.E. cor of Sur No 1 in the name of
G C & S F R R at this point I found trees
marked made by Geo Snellings when
laying this certificate on the original
Holecamp surveys Thence North 1900
ons to top. This circuit was ordered done
by the Land Office. I made the survey
returned the plat and field notes and have
never heard from them.
