

Shelbyville, Tex June 3. 1857.

Mr. S. Crosby Dear Sir

I here send you a sketch map of S. Richards Survey, and the surrounding tracts. As to R. Finch, that you spoke of I will inform you that it once came as S. Richards Survey on this sketch N^o. 1. 2. 3. 4. 5. and was rejected at the Land Office as spurious - then he replaced it with other certificates.

I have nearly completed the sketch map you requested in your communication I have been pressed with business so that I could not attend to it immediately. You shall have it shortly.

Yours truly
Geo. M. Locke

is a correct connection of the surveys named,

on the Map in use at the General Land

under their location.
