Summitt.

I hereby certify that this sketch only represents the position on the ground of the several surveys herein mapped; that in Dec 1893 I carefully ran connection from N.E. corner of Williamson County School Land Survey No. 2, as above indicated, said corner and S.W. cor. of No. 12 S.P.R.R. Sur. being both conclusively identified, west 2.8 miles to N.E. corner of Sur. No. 125. BL "C" H. E. & W. T. R. Co. in Sutton County Tex. and from last named point, crossing South and West, I marked all corners of surveys in Blk. "C" in the S.W. portion of said Blk. That on 25 day of Apr. 1903 I connected this work with N.E. and N.W. corners of Sur. No. 3. Rush Transp. Co. Strip No. 106, as placed on the ground, said position being determined by the N.E. and N.W. corners as herein indicated, and from their position with reference to the point of intersection of N. and S. prong of C. Fork of Devils River, said point forming the Elbow or bend in Kuechler Lake, and said point being S. 28 3/4 E about 1400 vs from N.W. cor. No. 3 as herein shown, and that the S.W. cor. of No. 149. BL "C" is 833.0 S 64 1/2 E from said N.W. cor. of No. 3. R. T. Co.
