

The State of Texas,
County of Randall,

This is to certify, that by
mutual agreement of
P. A. Dowler, the duly qualified
surveyor of the county and State aforesaid

and
W. B. Hutchison, the duly qualified
surveyor of Swisher Co. and State
aforesaid, met at the N. W. cor-
ner and beginning point of Blk M9,
Randall Co, the same being an
"earth mound" as is shown by the
field notes & map of survey made by
T. S. McClelland, Surveyor Dowley
Land District Feb. 22nd A. D. 1884, and
furnished by Comr G. L. D. Office.

This mound is found to be by actual
measurement on the ground 181 vrs South
& 53.64 vrs East of gas pipe m'kd 203
& 204 Blk 6 O. & G. N. R. Co.

Beginning at said mound;
Thence South, tracing
line & finding "mounds & stones" as
shown by "Sketch" of the said T. S.
McClelland, to the common corner
of sections 9 & 10, Blk M9, the same
being ^{also} the common corner of sections
109 & 110, Blk M8, we find by
actual measurement made on
the ground by a tape, the distances
between "Earth mounds & stones" to
be as follows, to wit:

State of TX

each mile plus excess belonging to same to correspond with North end of Blk M8,

Thence North putting up mounds on Blk line to correspond with "mound & stone" found on East side of said block M8, to gas pipe mkd 208 & 209 Blk 25, the same being the N. W. corner & beginning point of Blk M8.

Finding no "original monument" at South East corner Blk 27, the same being the N. E. cor. Blk M6, we put in a gas pipe at this point, in centre of 4 pits & mound, mkd same, 5 & 6 Blk M8, 29 Blk 27, 1 Blk M6,

The above Survey was actually made by us on the ground July 28, 29 & 30 A.D. 1891, with J. H. Scott, Jno. A. King, Geo. W. Duke & J. W. Raliff being duly qualified
