 tained by actual survey, that the Resurveyers
 position of O.R. H. W.D. Withers is located
 upon the Peter Dickerson's Survey, notwithstanding
 standing the field notes give this as another
 situation. I am satisfied that it is the igno-
 rance or carelessness of the Surveyor that the
 field notes are thus drawn up. & that
 that the relations of S.C., D.B. & J.G.
 Burnett's surveys, ^{also the two of H. M. Thompson's} the Old Survey, East
 & west of said survey are truly given,

Survey area as represented from the records of my Office. & that I have ascertained by actual survey, that the Resurvey position of O. R. R. W. D. Withers is located upon the Peter Dikeman's Survey, notwithstanding the field notes give them another situation. I am satisfied that it is the ignorance or carelessness of the Surveyor that the field notes are thus drawn up. & that the relations of S. G., D. B. & J. B. Burnett's Survey, ^{also the part of M. Thompson's} the Old Survey East & West of said Survey are truly given. Given under my hand in my Office at Fort Worth, March the 19th 1860.
