Texas

Trinity Co., July 4. 1857

I find at the South corner of the J. L. Boden League situated on Big Piney about three miles North ~~West~~^{East} of the town of Sumpter the following marks for bearings. A Pine 30 in. dia. mtd with a crop and blaze S. 17° E. 5 vs from a fallen Pine which appears to be the corner & from the same fallen Pine a Blk. Oak brs. N. 52 1/2° E. 16 1/2 vs mtd with a blaze about 10 in. dia. And at the West corner of the said Boden league being the South corner of the J. C. George league, a Red or Pin Oak for corner from which a Pin Oak brs S. 57 E. 9 vs. A Sweet Gum 10 in. dia. brs. N. 34 W. 6 vs. and an Ash log bearing axe mks, & Stump of same. 7 vs. dist.

At the West corner of the said George League I find two fallen Pines mtd with the usual league corner marks, one of which, ^{about 30 in. dia} brs West 13 varas, the other 15 in. dia brs. N. S. E. 7 vs. & the remains of Sweet Gum N. 42 E. 8 1/2 vs. Then I find a line that appears to run from this corner N. 45 W. I suppose about the distance of a league though did not chain it when I find a Blk. Jack. 5 in. dia. having usual line blaze from which a Pine 17 in. dia. brs. N. 3 E. 16 4/10 vs. mtd with blaze. Thence N. 45 E. I find a line plainly mtd. to Big Piney which is probably over 2 1/2 miles dist. Continuing same course about a leagues distance, I find two trees mtd as the usual league corner marks. A Red Oak 24 in. dia. & a Hickory 14 in. dia. the former bearing from a supposed corner S. 39 W. 6 1/10 vs. the latter S 49 E. 4 varas. dist. from which corner a line plainly mtd in running S. 45 E.

J. John W. Hutchinson, County Surveyor of Trinity County Texas do hereby certify that I have carefully examined the above Land marks and find them correctly set forth in the above Given under my hand at Sumpter this fourth day of July A D 1857.
