Dear Sir please find herewith a sketch  
of the S.E. Corner of Tyler County. in compliance  
with Art 2068. North - and to correct the mistake in  
Genl Land Office. in Relation to conflict with  
Goode & Mc Gee's Survey. and also to  
place properly on the map in Genl Land Office  
the League of Land Titled to Alfred Ellis -

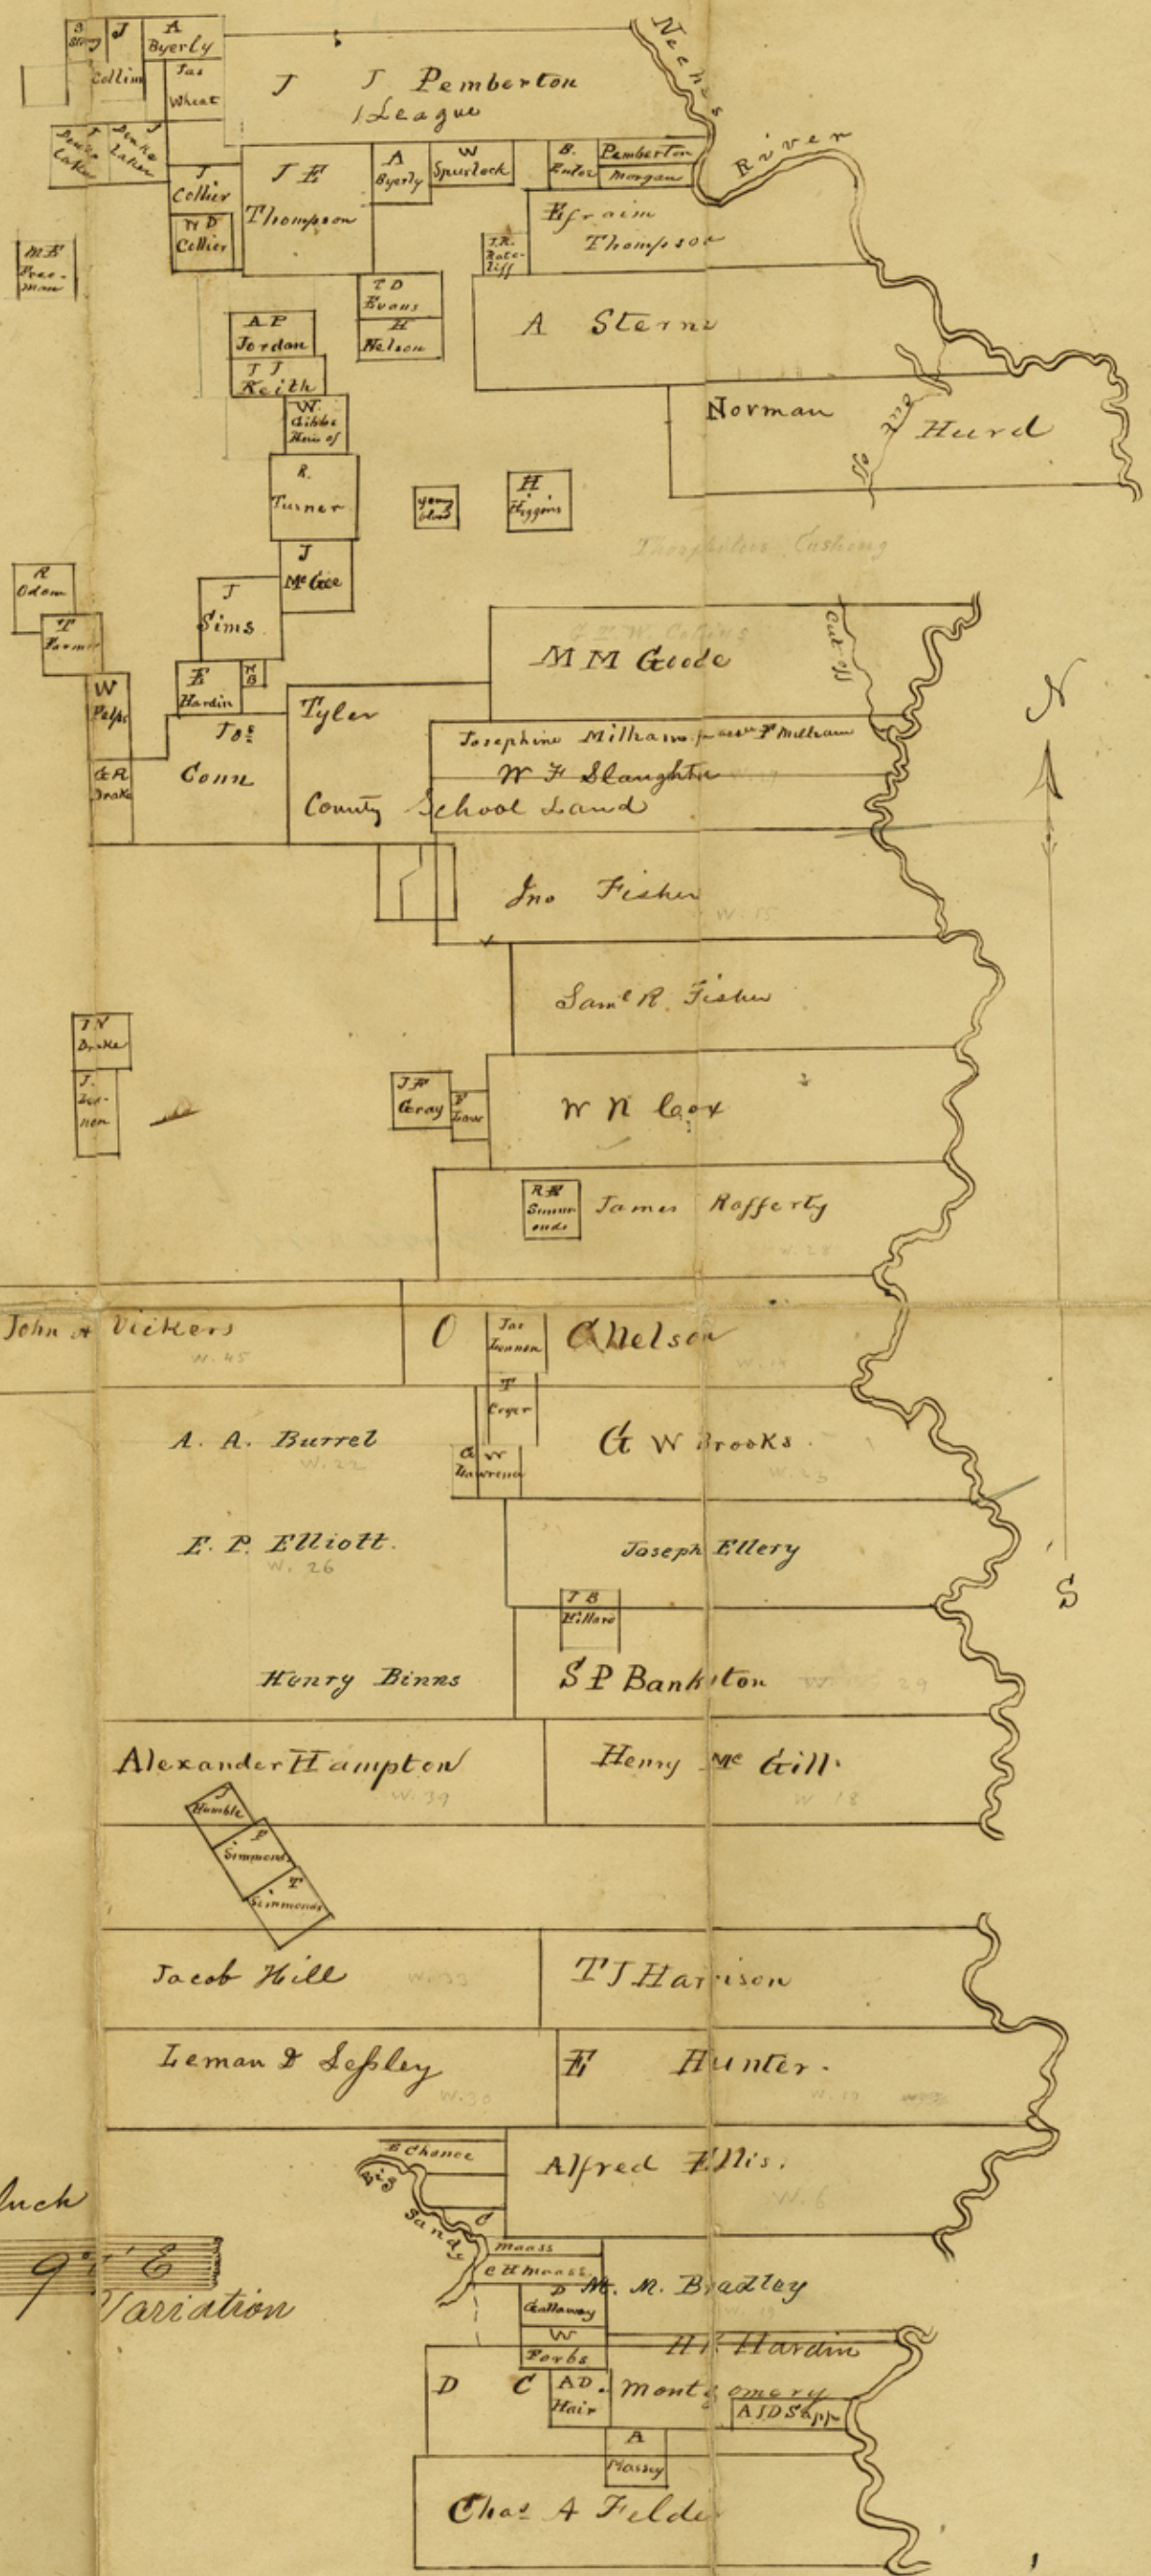

There is a slight mistake in the  
Amount of Bal to my Credit. After paying for the  
Translation of Francesco Valmore's Title I  
sent up \$50. 350. for translation of Valmore &  
two for Patent fee on 2 Surveys on Gibb's Cut  
please see that it is correct. - you say in your  
note transmitting the Title of Valmore that there is  
\$50 to my credit which should be two -

Very truly yours obt servt
