Sir

The connecting line for the north
line of the St-Bened County School
land Sur No. 317 from the N.W.
cor of Sur No. 109 P. G. Gilroy to a
point 840 rods north from the S.E. cor
of Sur No. 320 S. Hunter of 320
acres is S 85 $\frac{1}{2}$ ° W 7600 rods

This line as shown by sketch I
consider the proper course for the
north line of St-Bened County School
land as it is a straight line
between the two pts called for
in the field notes, viz. the N.W. cor
of Sur No. 109 and 840 rods north
from the S.E. cor of Sur. 320
