## STATE OF TEXAS.

Laredo, Tex. May 8<sup>th</sup> 1897

Hon Andrew J. Brakel  
 Commissioner of Gen Land Office  
 Austin Texas

Dear Sir herewith enclosed please find a sketch of surveys in Encinal County. made from actual surveys & records of surveys in my office.

I am satisfied the G W Gose Survey was never made on the ground as no corners of same exist and none of the parties in that part of the county ever saw the survey. I never heard of C. H. H. & Blucher.

The Surveyors that surveyed the Dull Land CC 30 & R 9. NO. 73. Blocks 1 & 2 Encinal & did not run all the lines and made very few connections on the west side but they did connect with survey 129 Porfirio Gamires and there placed a section on top of it. The only definite corner was survey 16 the n e cor a post marked NL on e side of old road & s w cor marked I & from these corners I started my surveys.

Remaining Yours Very respectfully Arthur Foster
