I, Geo. W. Ashley, Deputy Surveyor of Wheaton County Texas - do hereby certify - that on days between the 1st and 12th of December A.D. 1874 - I was personally present - and caused to be actually and carefully measured - on the ground - as follows - Beginning at the S.W. corner of the Chas. Howard - (which was actually and truly determined - by actual measurements on the ground - with all the field notes in hand - from the lower corner of the J. Cronanney on the W bank of Colorado River - a corner well known & a line distinguished to the N.W. corner of Chas. Howard & there planted a Mulberry post) Thence due West - Mag. 50 10 E - at each measure of 1901 was - planted a Mulberry post - and a Board & iron ball - up to Ten - as appears in the above map - thence from the center - North on a true meridian - at 2630 was entered the parallel of latitude - running west through a flag - previously set by the District Surveyor, in the S.E. corner of Lynn's Contention - 2230 - East of the flag. To all these statements in every particular I certify. Geo. W. Ashley

on this 15th day of July 1875.
