

and State of Tex

County of Wichita } I now find surveyor of,  
Wichita County do hereby certify that I found  
the NE cor of S 22<sup>nd</sup> sur. from which  
an Elm with x br 366 n 25 m. (the Cottonwood  
tree is destroyed)

Thence East (894 + 1440) 24 34 m the  
west line of Palo Pinto Co S Land.  
Thence N to bank of river, when I found  
one bearing tree to NW cor said Palo Pinto  
S Land & identified it as the cot<sup>wd</sup> wh br  
N 58 1/2 N 262 m -

From this corner I ran S 46° 6' E 6780 m  
& established the SE cor Palo Pinto Co S Land, which  
I found to be by actual measurement  
9 m N. & 642 m S. of a stone set for the N. W.  
cor Sqr 7 Denton Co S Land

For connections between S W cor no 8 T no a scott.  
& NE cor Abner Naie sur see sketch  
of field notes sent in with E. Austin file

Now find  
Surveyor Wichita Co

16<sup>9</sup>

Wichita Co

John W. Field's cet, as to NE. Cor,  
of the S. Netherly sur.
