Geo. W. Glasscock Esq.

Austin

Texas

22-

Cannot not do anything with these statements.  
Mr. Ford admitted before that Brownings S. E. corner and  
Good's N. E. corner were the same - a difference of  
60 or so does not prove a vacancy. We want a regular  
set of field notes together with a full statement  
from the Surveyor of Williamson County before this  
Office can do anything.
