Only 998 sections were actually re-
turned and filed in this office, located
in Yoakum and Terry counties and
in New Mexico, aggregating 638,720 acres

3rd
There were adjudged to the State
of Texas 501 sections of even num-
bered surveys and 255 sections
of odd numbered surveys, in
all 756 sections, aggregating 483,840 acres

4th
To the defendants were adjudged
246 sections of odd numbered
surveys.

The Defendants under the order of
Court were allowed to make the selection
of 246 sections of odd numbered surveys
on or before Dec. 23rd 1898.

The defendants on Dec. 23rd 1898
filed a list comprising 246 odd
numbered sections of land so selected
by them situated in Yoakum and
Terry counties in Block D, - 235 sections
in Yoakum and 11 sections in
Terry county, designated in yellow
on the map herewith, aggregating 157,440 acres.

Odd numbered sections recovered by the State
