12,20,1930.,

Hon. J. H. Walker.,
Austin, Texas.,
Dear Sir:-

While at your office this morning in going over the matter of the application of Mr. C. S. McKinney, of this city for a strip of land known as survey 554 in Zapata County, Mr. Blucher, requested that I send in the enclosed, certified copy of field notes as surveyed by me of the south line of Porcion 36 which was made in 1911., also a copy of the partition map of Porcion 36 as approved by the Dist. court of Webb county in 1917.,

I did not have the time to make the copy of the map as requested by Mr. Blucher, but am sending him the original map of the partition of Porcion No. 36, as it is now and as the court held, which gives this porcion the limits it now has and allows a small strip beyond it and between survey 591, which belongs to survey 554 R.P. Lane.,

As this map is the certified map of the Partition and which is evidently the one of record in the District court here I would appreciate it very much that if it is not required save and except for further proof of the existing space to show that survey 554 is actually on the ground, I would appreciate your returning it to me, as there is no other copy.

A decree of the Partition of this Porcion will follow in the next mail which was what Mr. Blucher requested also.,

Hopeing that this data will be sufficient to allow Mr. McKinney his award I am,

EJF/F.,

Yours truly,

E. J. Foster

*Blue print above referred to
was returned to Foster, in
person, in the office on
Jan 8th or 9th, 1931.
