The State of Texas,
 County of Tarrant. Copy of Field Notes
 of a connection made by Geo. Myers, Co.
 Surveyor, East of Loma Vista.

Began at the N.E. cor. of 16th 14th State, East
 of Loma Vista.

Thence S 15th W 423 rods.

" N 65th E 138 " to a 3rd prg. med. 10" dia.
 marked $\frac{1}{2}$ on the East side and indicating the stake
 should be East of tree, or North East, could not
 find any other marked tree but find where one
 was burnt down close to this tree. Mr. Knochler
 says this tree is S 54th W 205 rods from the cor.,
 but I think this a mistake in transcribing as
 there are several trees close by, and he could
 have marked any of them so as not to have
 passed several to mark this one, and I am
 satisfied this is one of the bearings for S.W. cor
 of #48.

Thence East 1860 branch, 2110 branch, 2400 rods.

down, both are by their stumps, the tree S 12th W
