I am returning several set of notes that have been in your office also a number of new corrections it is all I will send in. We wish to get your matter adjusted in the course of time

I have been shown a letter stating that Mr Love wants shortly file papers showing that no land existed for the S. P. Co's claim you will note by the sketch that I do not claim to have ever of land N. E. Cor of Dolita; and that I have all owned the Dolita 177 or surplus and the Res W Capron 168 while for Grand & Marks I have used 1080. Jean Kincaid told me

that they had found original N.E. Cor Dolita I called Mr Bressan, Kincaid's nephew look Tuesday morning and asked if he had seen N E Cor Dolita said he had not that they hunted for it but had since discovered that they had hunted one mile north of where corner should be

Please write me at English Corner near about the Mills, Donations just East of antique corner Grand. 9 July
