

Austin, Texas

April 3rd 1884,

Hon. W. C. Walsh,

Commiss^{ry} Genl, Land Office,
Tex.

On behalf of
Zavalla County I would respectfully
waive the regular numerical or-
der in the number of the four leagues
of school lands when set apart for
that county and would be willing
and in fact prefer that you would
issue the lands of Zavalla county
next to and adjoining those of
Ladalle county taking the last num-
bers, to wit; N^o 315, 319, 320 and 248,
thus making the eight leagues in
one and uniform shape. We
believe the reception of lands
from these leagues in numeri-
cal order is a privilege which
we can waive and we hereby
waive it and will take our
patents as above indicated, if
you or will so grant them,

Very Respectful
Frank B. Earnest
Agent for Zavalla County,
