Plat of Block P.M.C.
 E. L. & R.R. Survey
 Moore County Texas.

March 27-1910.

J.B. Cassey
 Sur. Hartley Co. Tex.

Scale: 1000 Yards = 1 inch.

I hereby certify that corners marked on this plat were found by me on the ground and that they are the original corners, and that distances marked between them are correct.

J.B. Cassey
 Surveyor,
 Hartley Co.
 Texas.

Hartley Tex.
 Sept. 6-1910. 1931

J.P. Robison

Austin.

Dear Sir: Yours of Sept 3rd to hand. The error was in marking N-S distance of north tier of sections on your copy of plat. Distance given in field notes is correct and plat should be marked to correspond. All the work I have done in this block P.M.C. has been done for J.L. McFarlin of Channing. He can tell you who owns nearly all the land in this block. Am returning field notes for your files.

Yours truly
 J.B. Cassey.
 Sur. Hartley Co.
