MERCER'S COLONY

ANN COUNTY

MERCER'S COLONY

SABINE RIVER

I Daniel O Norton do hereby certify that the above is a correct Platt of a Block of 50 Surveys (one one) made by me in Henderson A.D. 1835 properly connected with the S.W. cor. of Lamar & the S.E. corner of Fannin Counties, also, the East Boundary of C. H. Mercer's Colony — The Lake Fork & Main Sabine are imaginary lines drawn in most part, though from notes sufficient to enable them very near correct. The Platt was made out from notes taken on the ground during a resurvey of the Patented Lands in the month of April A.D. 1845 of Lands belonging to James Reily as assignee of sundry Persons whose names are entered upon the same this 7th day of May A.D. 1845

D. O. Norton
Surveyor

Republic of Texas
Nacogdoches County } I A. A Wilson County Surveyor of said county do hereby certify that D. O. Norton is now a deputy Surveyor of the county aforesaid and has been such from the 2nd day of September last past, and I do further certify that the above plat is true and correct so far as I am in possession of information from papers on file in this office and also from the report of Mr Samuel Hupper who was employed by me at the request of Col Reily to ascertain the precise location of the surveys as labeled above with respect to the county lines of the counties of Nacogdoches Fannin & Lamar.

Given under my hand at Nacogdoches this 9th day May A.D. 1845

A. A. Wilson
County Surveyor Nac. Co.
