

Spurlock Tex Sept 12-17  
 State Land com. sir I sending  
 drawing to day which is intended  
 to show measurements made & location  
 of excess in blocks 1-C, 3-B & no 2  
 in Sherman co Tex. I am very anxious  
 to definitely locate & trace out these  
 excesses in order that I may do other  
 surveying in these blocks.

In my former letter to you I stated  
 that in my judgment the excess in  
 block no 2 should be between first & second  
 tier & in blocks 3-B & 1-C should be at  
 east end of sec 37 in 3-B & between 7 & 8  
 tier. see certificate attached to drawing.

Respectfully
