SEYMOUR, TEXAS, 2/27th 1924

Hon J. T. Robison
Land Comm

Dear Sir

I inclose herewith field notes
of some connections I made with the
East boundary of Baylor County
We desire new abstracts to parts of surveys
in Baylor County crossed by County line.
The only ones desired are as follows
A & H's Survey. M. W. Mathews Survey
South half and N 1/2 of survey no² S P R R Co cert 16/105
Survey no 1 cert no 16/105 Survey no 1 cert 16/159
S P R R Co. and the W M Man Survey.
I will estimate acreage later on the survey
affected. You have the 5 p y as Singleton
Survey abstracted for 900 acres which is about
Correct. Would be glad to have you estimate
the W M Man survey in Baylor Co.

A. D. Kerr,
Co Surveyor
Baylor Co.
