Throckmorton, Texas.

June, 22nd. 1926.

Hon. J. T. Robison.

Austin, Texas.

Dear Sir;- I am in receipt of a copy of your letter to A.D. Kerr County Surveyor Baylor Co. dated June 18th, in reference to the county line between Baylor and Throckmorton County. This was an error on our part in making the certificate to the field notes. The certificate should have read county court instead of Com'r. Court.

I have had the County Clerk of this County to correct the certificate to the field notes to show that it was by order of the County Court ordering this work done. I am enclosing a <sup>certified</sup> copy of the order of the county Court ordering the line run and I feel sure Mr. Kerr will do the same. You will see from the certificate of the County Clerk on the field notes that they were filed for record in the County Court.

Thanking you very much for calling my attention to this error, I am very truly yours,

\*\*\*\*\* F. B. Stribling \*\*\*\*\*

County Surveyor

Throckmorton, County, Texas.

RECEIVED

JUN 24 1926

REFERRED TO MAP

STATE OF TEXAS :  
: IN THE COUNTY OF THROCKMORTON COUNTY, FEB.  
COUNTY OF THROCKMORTON : TERM 1926.

It having been made known to the court by the State Land Commissioner that the North boundary line of this County is not sufficiently definite and well defined, and it appearing to the Court that it is necessary that the true boundary line of the North side of the County be established and that the true corners of the County ( N.W.corner and N.W.cor.) be located it is therefore ordered by the Court that F.B.Stribling, a civil Engineer, be appointed to make this survey within the next 60 days. The said Surveyor is directed to find and locate the true N.W.Cor. of Throckmorton County and proceed from this corner eastward along the North boundary line of the County of the true N.E.Corner of the County, locating the latter corner in the same manner as the N.W.Corner. He is further instructed to mark and establish both of these corners in accordance with statutory instructions.

Stone or concrete monuments shall be placed at the end of each mile of the county boundary; said monuments shall be set in the ground not less than three feet and shall not be less than two feet high. Upon the completion of the survey the surveyor shall return to this Court the field notes of the survey together with a map of the line, both properly certified to.

The above order is given this the 27 day Feb.1926.

John Lee Smith,  
County Judge

STATE OF TEXAS )  
 ) I, Kate Beaty Clerk of the County Court of  
County of Throckmorton)

Throckmorton County Texas do hereby certify that the above and foregoing instrument of writing is a true and correct copy of the original as the same appears of record in Vol. 2 of page 95 of the County Court Minutes of Throckmorton County, Texas.

County Line

Order County Court,  
Throckmorton County,

Filed June 24<sup>th</sup>  
1926

J. T. Robinson, Com. Sec.

County Clerk, Throckmorton County, Texas.

The above order is given this the 24 day of June, 1926.

and hereby together with a map of the line, copy herewith certified to of the survey the surveyor shall return to this Court the field notes of the same three feet and shall not be less than two feet high. Upon the completion of the county boundary: said monuments shall be set in the ground not less

than one foot and shall be placed at the end of each side

of these corners in accordance with statutory instructions.

in the manner as the N.W. Corner. He is further instructed to mark and establish of the true N.E. Corner of the County, locating the latter corner in the same place as from this corner eastward along the North boundary line of the County is directed to find and locate the true N.W. Corner of Throckmorton County and appointed to make this survey within the next 90 days. The said surveyor therefore ordered by the Court that E.B. Stripping, a civil Engineer, be the true corners of the County ( N.W. corner and N.E. corner.) be located if the true boundary line of the North side of the County be established and that well defined, and if appearing to the Court that it is necessary that the true North boundary line of this County is not sufficiently definite and

if having been made known to the Court by the State Land Commissioner.
