Bee Co
Fol notes of portion
of Bee Co line

Mr Mueller regards this field
notes correct in accord-
ance to law

Beeville Bee Co Texas
Hon W. L. Walsh } Sept 20 1880
Commissioner }
Sir

I herewith forward to you the field notes of a portion of the Bee county line as run by order of the county court of this county near 20 yrs ago

Is this survey in accordance with the line recognized ^{by your office} between this county and Live-Oak county? And particularly is the south west corner as established by this survey correct? Our County ^{Bee} is anxious to establish the line between Bee & Com-Patico counties - where should we commence to do the work? Should we (if this survey is correct) commence at the mouth of the Papabote creek and run back on this survey?

By examining this matter and answering this communication at your earliest convenience you will confer a favor on

Yours very Respectfully

W. Hayes

Cov. Judge Bee Co

P.S. I omitted some of the details of the field notes that I thought would be of no benefit to you

W. Hayes

Field Notes of a portion of Bee Co line

To the Hon^{ble} Court of Bee County
Gentlemen:

In accordance with a contract entered
into between your predecessors in office and myself
I have proceeded to run and establish the North
boundary, the S.W. Boundary, the South Boundary
and the S.E. Boundary lines of Bee County, and
herewith tender to your honorable body the result
of my labors together with a map of the same.

I began at a given point on the Medico creek
designated as the point - where the Mr. Jones survey
(upper line) crosses said creek thence south 70 W
11 miles, thence south 27 E 37 miles and 728⁰⁰
to a point from which the junction of the Aransas
and Pastera bears North 51 E 11 miles 343⁰⁰.

Thence South 78° 40' E. 15 miles & 774⁰⁰.

Thence N. 36 East 3 miles to the point - where
the Papalote creek empties into the Aransas River
which completed my part of the Contract.

Field Notes

Beginning at a stake set in the bed of the Medico
creek at the point where the upper line of the
Mr. Jones survey crosses said creek from which
a Mesquite tree 4 in dia marked X brs N. 28 W 9⁰⁰

Thence S. 70 W at 1.000⁰⁰ a small ravine
along a Mesquite country + + + + + + + + +
+ + + at 7160⁰⁰ Puente de la Piedra (general
course south) at 7600 the Oakville and Helena Road
+ + + + + at 15.820⁰⁰ a Road + + + +

W. H. Hayes County Judge
Live Oak 16 + 13
Gives Field Notes
of a portion of Bee county
& asks for information

Important

These field notes of Bee County
are strictly according to law
and if the old lines and corners
can be identified, they should
be adopted. The shortest way
to trace the old line would be
to begin at the mouth of Popelote
Creek - thence S 36° W 3 miles -
thence N 78° 40' W 15 miles 776 etc.

That portion of the line of Bee
Co. not contained in these field
notes and lying between the mouth
of Popelote Creek and the corner
of Goliad & Refugio Co. on Blanco
Creek is much needed by this
Office. Filed Septemb. 27/80
C. W. Prepler.

answd Sept 27/80 R

BEE CO. Bldg. Inv #2

at 20900 as to a stake from which a Mesquite
12 inches dia. Meas B bears S. 27 1/4 E 21 1/2 as
also another Mesquite Meas C has N. 69 1/2 E 9 as.

Thence South 27 E. at 24 as a ravine + + + + +
at 8040 as the W Bank of the Puerta de la piedra or
bearing S. 4 W at 8150 its Eastern bank + + +
at 9080 as the Oakville & Helena Road + + + + +
at 34760 the Oakville & Goliad Road, + + + + +
at 41340 as the Lapara creek bearing S. 30 W
+ + + + + at 43100 as the St-Merrill & Goliad Road,
+ + + + + at 55100 as the Road leading from Maddens
to St-Merrill, at 69400 as the Road from Groves
to the Aransas at 71028 as to a stake set for
the S.W. corner of Bee county from which a forked
Mesquite ^{12 inches} Meas B on the trunk & 1/4 on each branch
has N. 53 1/4 E. 72 1/2 as.

Thence S. 78 40' E. 29. 27 1/4 as to a stake set for the
S. corner of Bee Co. from which a tree known as
the "Window tree" in the open prairie bears S. 18 1/2 E.

Thence N. 36 E 5700 as to the mouth of the
Papalote creek.
