County Boundaries.

---

Bexar County

---

Boundaries of Bexar County as  
defined by Chf. Justice Joseph  
Baker.

---

Commencing on the San Antonio River about Six miles  
below the mouth of the Abasco at a point where an  
old road leading from Laredo to Nacoz Juchas crosses  
the river, Thence South West to the Rio Grande, Thence  
following the National boundary up said river to  
the meridian of the North West corner of Melani's Col-  
ony, Thence due South to the said North West corner  
of said Colony, Thence following the western boundary  
of said Colony to the old San Antonio bend, Thence West  
following the western boundary of said Colony to its  
South West Corner, and then on a straight line to  
the place of beginning

Bexar Co Bdry Line 3
