

The State of Texas)

County of Borden and) Field Notes of a Survey of a standard
County of Howard) Parallel and the South boundary line
of Borden County and North Boundary line of Howard County made
for Borden and Howard Counties by virtue of an order of the
County Court of Borden County passed at the regular February
term of said Court on the 11th day of February, 1908, and or-
der of the County Court of Howard County, passed at the regu-
lar February term of the County Court of Howard County on the
29th day of February, 1908, concurring with the County Court
of Borden County for the purpose of establishing the South
boundary line of Borden county and the North boundary line of
Howard County.

We the undersigned surveyors appointed by the order of the
abovementioned Courts, began April 14th, 1908, at the South
East corner of Borden County, the same being the North East
corner of Howard County, as established by us on the 13th day
of April, 1908, as described in field notes of standard par-
allel and connecting line Sixty miles from the South West
corner of Jones County.

Said S. E. Corner of Borden County and N. E. corner of Howard
County, being a flat stone 2 feet X 2 feet X 6 inches placed
in pit with surface of stone on level with surface of ground
and marked by a line running through face of stone North and
South, and a line crossing it at center of stone at right an-
gle. The N. W. Quarter of stone is marked Borden Co. W. S. Mc and
the S. W. quarter of stone is marked Howard Co. and date 1908,
on West half of stone. From said corner stone a large stone
in large stone mound brs. N. $38^{\circ}36'$ W. 647 varas a pit filled
with broken stone where a large stone was placed in 1907, by
W. H. Stoneham, for the N. W. Corner of Mitchell County brs.
