Dear Sir,

I herewith send you a blue-print of a survey of the Mouth of the Arroyo Colorado in Cameron Co. This survey was made by me by order of the Co. Commissioners Court to dispose of the question of "Where is the Mouth of the Arroyo"? I found the same practically as it was in 1879 and 1886 in which years I made the survey of the San Juan de Cerros and the partition of the Espiritu grant respectively. The original of the latter survey is not of record in this County. It was made by Geo. Lyne in 1853-59. The Co. Clerk should have sent you an official copy. Ever now

Respectfully yours J. J. Locke
