

OFFICE OF
J. D. TERRY,
COUNTY JUDGE,
DE WITT COUNTY.

Cuero, Texas, Sept 20th 1883

Hon W. C. Walsh Comin
Austin Texas Dear Sir.

Please excuse

me for again calling your attention to the question of line of De Witt and Karnes Counties. C. G. Hartman Special Surveyor appointed by the Commissioners Court of this County forwarded his report on the 5th of July on the 9th you acknowledged receipt of same. You also state "as soon as I receive report of Surveyor of Karnes on same question I will take the matter up for examination." I enclose herewith postal card from W. J. Seale Surveyor of Karnes County addressed to C. G. Hartman mailed at Texarkana June 25th /83. in which he claims to have made report and sent up before that date. Has this report been received? If not what is necessary to be done in order to compel Mr Seale to file his report?

Yours most obly -

J. D. Terry
