Mr. J. T. Robison Com. Gen. Land Office
Austin, Texas.

Dear Sir:-

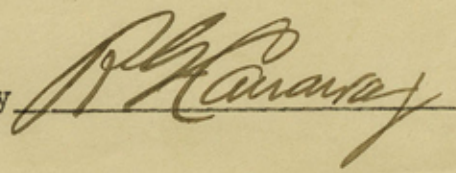

On the first page of the
Field Notes of the boundry line between Donley and
Armstrong Counties filed in your office recently
you will find they read as follows;

Continuing West to a point 60 miles west of the
above mentioned 42nd. mile post we set a cedar post
5 feet long, 3 feet in the ground marked, NWD NEA SEA
SWG, from which a large stone mound bears North 259
varas and WEST 441.6 varas. &c &c.

The same correct except the call of WEST 441.6
varas, which should head EAST 441.6 varas, and I wish
you would correct same on the original copy of the
Field Notes as the record in Donley and Armstrong have
been corrected accordingly.

Yours very truly,

R. G. Carraway
