

County Judge's Office, N. C.  
Corpus Christi, Sat. Aug. 25<sup>th</sup> 1877

John Dix Esq  
Surveyor Duval Co.

Dr Sir

Yours of the 18<sup>th</sup> Inst. came to hand on yesterday, with two enclosures, and request that our County Co. operate in running the, remaining boundary lines of our Counties -

Mr. Caldwell is now in the vicinity of Los Olmos. and has already received instructions to complete the surveys, as soon as the Co-operation of Hidalgo, Starr, & Cameron Co. authorities can be obtained, we are corresponding with that view. I shall forward to Mr. L. Caldwell a copy of your appointment and request to meet him on the 15<sup>th</sup> Prox<sup>o</sup> at the N. W. Cor of Duval, (as soon as practicable). this boundary question is of vital importance to the interests of our Counties and ought to be speedily finished and permanently established & marked - everything I believe will be ready by that date.

Yours very Respectfully,  
Joseph W. Simmons  
Co. Judge N. C.
