

STATE OF TEXAS  
COUNTY OF REEVES

FIELD NOTES of a survey of the boundary lines between the Counties of Ector and Crane on the east and Winkler and Ward on the west.

In order to establish the N.W. Cor. of Crane County which is also the N.E. Cor. of Ward County, I began at the S.W. corner of Midland County, and ran west twenty-six and one-half miles and erected a mound of earth 4 feet high, and 6 feet in diameter at its base, with a pit on the east, west & south sides of the mound, and also put a post in said mound, marked on the east side "N.W. Cor. C.Co," and on the West side "N.W. Cor. W.Co."

THENCE SOUTH 1 mile, md & 2 pits,  
2 miles, mound and 2 pits on line,  
3 miles, mound and 2 pits on line,  
4 miles, mound and 2 pits on line,  
5 miles, mound and 2 pits on line,  
6 miles, mound and 2 pits on line,  
7 miles, mound and 2 pits on line,  
8 miles, mound and 2 pits on line,  
and at 8 miles and 975 varas crossed a wagon road from Monahan to T X ranch.

9 miles, mound and 2 pits on line,  
10 miles, mound and 2 pits on line,  
11 miles, mound and 2 pits on line,  
12 miles, mound and 2 pits on line,  
13 miles, mound and 2 pits on line,  
14 miles, mound and 2 pits on line,  
15 miles, mound and 2 pits on line,  
16 miles, mound and 2 pits on line,  
17 miles, mound and 2 pits on line,  
18 miles, mound and 2 pits on line,  
19 miles, mound and 2 pits on line,  
at 19 miles and 200 varas crossed an old stock trail leading to For\_ Sumner, New Mexico.

20 miles, mound of stone on a high ridge overlooking the valley of the Pecos River.

21 miles, mound and 2 pits on line,  
22 miles, mound and 2 pits on line, and at 22 miles and 930 varas erected on the bank of the Pecos River a mound of earth 4 feet high and 6 feet at the base, with a pit on the north, east & west sides of said mound.

From said mound which is the S.E. Cor. of Ward County & the S.W. Cor. of Crane County, a mesquite tree 8 inches in diameter marked  $\bar{X}$  bears S. 20° W. 2 varas distant.

Ector Co Bdry Line 5

The character of country through which the line between Crane & Ward Counties runs is a rolling sand prairie covered with mesquite brush.

To establish the S.E. Cor. of Winkler County, which is also the S.W. Cor. of Ector County, we began at the N.E. Cor. of Ward County, and ran west along the North line of Ward County, at 1 mile, made a mound and 2 pits on the line, and at 1 mile and 1330 varas made an earth mound 4 feet high and 6 feet in diameter at the base; from said mound a mesquite tree 6 inches in diameter marked  $\bar{X}$  bears S. 45° W. 6 varas distant.

THENCE NORTH at 1 mile a mound and 2 pits on line, and at 1 mile and 358 varas crossed The Texas & Pacific Railway track, 775  $\frac{3}{5}$  varas east of a sign board marked 259 miles to El Paso. 82 varas north of the track we set a railway tie in the ground, on the line, and at 1 mile and 1360 varas the section house at Sand \_\_\_\_\_ station bears S. 50° 30' W. 2 miles, a mound and 2 pits on line, 3 miles a mound and 2 pits on line, 4 miles, mound and 2 pits on line, 5 miles, mound and 2 pits on line, 6 miles, mound and 2 pits on line, 7 miles, mound and 2 pits on line, 8 miles, mound and 2 pits on line, 9 miles, mound and 2 pits on line, 10 miles, mound and 2 pits on line, 11 miles, mound and 2 pits on line, 12 miles, mound and 2 pits on line, 13 miles, mound and 2 pits on line, 14 miles, mound and 2 pits on line, 15 miles, mound and 2 pits on line, 16 miles, mound and 2 pits on line, 17 miles, mound and 2 pits on line, 18 miles, mound and 2 pits on line, 19 miles, mound and 2 pits on line, 20 miles mound of earth and stone on the top and near the western edge of a high table land. In said md. there is a stone marked 20.

21 miles, mound and 2 pits on line,  
22 miles, mound and 2 pits on line,  
23 miles, mound and 2 pits on line,  
24 miles, mound and 2 pits on line,  
25 miles, mound and 2 pits on line,  
26 miles, mound and 2 pits on line,  
27 miles, mound and 2 pits on line,  
28 miles, mound and 2 pits on line,  
29 miles, mound and 2 pits on line,  
30 miles, mound of earth and stone, 4 feet high and 6 feet

at the base erected on the south line of Andrews County for

Ector Co Bdry line #15

the N.E. corner of Winkler County, and the N.W. corner of Ector County, and there is a pit on the east, west & south sides of said mound; from the 1st to the 20th miles, the line runs through a rolling sandy prairie; from the 20th to the 30th mile the line runs over a high table land.

Survey begun on the 15th day of October and was completed on the 29th day of October, A.D. 1887.
