Now.

M. C. McGuaghey,

Com. of the Genl. Ld. Office

Dear Sir:-

Several months ago, representing Jeff Davis County we submitted all papers relating to the issue as to the true boundary line between Jeff Davis - Reeves and El Paso Counties to the late Coma. He never acted upon the question though an of going in parlance to Jeff Davis County. Can it be she is entitled to the territory in question then she ought to collect the taxes arising therefrom which have for years

been enriching the coffers
of El Paso County.

We beg to urge as prompt
action upon this question
as the crowded affairs of
your office will admit
of; for the reason that
taxes are now being
assessed and for 1890 they
ought in our opinion to
go to Jeff Davis County
instead of to El Paso as they
must if this matter is
much longer delayed.

We submit this to your
Honor under Art 691st R.S.
and Act. Am. Ch. of Apr. 2/89.

The papers on file, fully
