between Falls & Milam Co.

Filed in the General Land
Office. ~~At~~ March 27th 1897.

Legal being surveyed by order of
the County Commissioners Court,

C. D. Prater

The State of Texas }
County of Milam } Whereas at a special term of the Hon
Commissioners Court of Milam County Texas held on the
18th day of Feb. A.D. 1892 an order was passed to have
the boundaries of milam county more definitely de-
fined and J.P. Looney County Surveyor of Milam
County was appointed to survey and define, make
Connections with the original and individual
surveys through which said line passed with
such other Surveyors as might be Appointed
by the other County Commissioners adjoining Mi-
lam County and Falls County was properly no-

tified of the action of the commissioners of
Milam County and did at their June Term
of Court. appointed Robt. D. Humnicutt Coun-
ty Surveyor of Falls County Texas to meet J.P.
Looney of Milam County and the 25th day of July
1892 was set to meet at the S.E. Cor. of Bell Cou-
nty and at the appointed time and place the
Surveyors Looney and Humnicutt met and pro-
ceeded upon their duties as follows, To-Wit:
We began and run a line with the compass to the
Samuel Frost N.W. Cor. We run on the north line
of the Samuel Frost League about 4 miles and fin-
ding the running of same we retraced same
to the N.W. Cor. where we found old bearings,
"a hackberry bearing N. 87 W. 4 yrs. still standing
and alive on Elm Fallen down stump bearing
N. 12 E. which are the calls for the original cor. which
is 1045000 from the N.E. cor. on Brazos River
and is in Little Brieny Creek Bottom From this
point we run a Transit line S 60° W with a
magnetic variation of 9° 30' E. at 65000 the bed
of Brieny Creek at 125000 leaves bottom. at 150000
