(Comm Genl Land office)  
Austin, Texas.

Fredericksburg, Texas, April 9<sup>th</sup> 1901

Dear Sir,

Will you kindly  
tell me, if you have any maps of  
Gillespie county, if so, of how late  
date and what is the price of the same?  
would be glad if you would also tell me,  
if there is a probability of the Land office,  
(at any time soon) preparing lithographic  
maps of counties? And I would like to  
know the cost, if this, Gillespie county,  
should want a correct map, of the county,  
(surveys, boundary lines etc) compiled by the  
Land office! - will be glad to hear  
from you! - I am truly yours

J. T. Estill,
