MAY 1 - 1936

Dear Sir;

REFERRED TO Abstract

91755

In reply to your letter to me dated No. 22, 1935 relative to some lands not abstracted in Hall County.

I have delayed replying on account of finding the stone monument at S.E. corner of Hall County missing. Reports are that it was destroyed several years ago. I got the approximate location from nearby residents, but recently I secured a copy of T.L. Crews' field notes of west line of Childress County. I presume a copy is on file in your office. A study of these notes revealed to me that the east line of Hall County differed in variation from the survey lines of block 'H' A.E. & M. & B.S. & S. approximately 1' 10". Also that the S.E. corner of Hall County is 748 varas south and 280 varas west of the S.E. corner of sec. 106 said block 'H'. Having found the true location I ran west 454 1/2 varas to the west line of the J.F. Coffee Survey. This made 60.2 acres in Hall County and balance in Childress County except a 17 vara strip down in Cottle County which is negligible.

Next, according to Surveyor Chipman's survey of section 16, J. Poitevent Blk. 1 putting 32.44 acres in Hall County, I find ~~52.34~~ 52.34 acres of the C.H. Payne Pre-emption Survey located in Hall County.

MEMPHIS, TEXAS

When I surveyed west from the corner of county, I varied a few varas from Mr. Chipman's line .but suppose it was on account of using a little different variation.

I have in hand the letter written by you to J. H. Bowns dated April 22, in which you state that ~~xxx~~ according to your computations Hall county has 105 acres of the John W. Kegans Sur I, and Cottle County 435.17 acres. According to my computations, you have those areas reversed. Should not the 435.17 acres be in Hall County? S. J. 330 ✓ H

Also according to my survey the entire Wm. Ring Survey No. I (including 40 acres abstracted in Cottle County) should be abstracted in Hall County. H.

I trust these corrections are satisfactory. Please let me know if approved and changes made.

Yours respectfully

Hall County Surveyor

P.S.

By the way are you in politics again?

W. A. T.

Mr W A Thompson
County Surveyor Hall County
Memphis - Texas

Dear Sir:

This is in reply to your favor of April 29,
regarding certain surveys of land in Childress, Cottle and
Hall counties.

State Abstracts, Volume 58, will show as follows:

J F Coffee Preemption, 160 acres, Survey 8: 100 acres in
Childress (Abst.936), and 60 acres in Hall (Abst.1718),
Fan Pre 4460.

John W Kegans survey 1, Blk 1, 540.17 acres: 105 acres
in Cottle (Abst.1614), and 435.17 acres in Hall (Abst.
1720 - instead of 1719), S F 330.

C H Payne Preemption, 160 acres, Survey 15: 108 acres in
Cottle (Abst.1190), and 52 acres in Hall (Abst.1721), Fan
Pre 4313.

Robt Turner Section 1, Wm Ring, S F 465 - 232.65 acres:
All in Hall county, (Abst.1557) F 91755.

The affected assessors will be notified of above changes.

I am retiring from politics. My Chief Clerk - J W Hawkins--
will make the race for Land Commissioner. Thanks for the
interest shown.

Very respectfully,

REB

Commissioner

Childress - Texas

Dear Sir:

The following correction will appear
in State Abstracts, Volume 58, regarding the J F
Coffee Preemption of 160 acres, Survey 8, Abstract
number 936.

100 acres in Childress county, and 60 acres in Hall
county, (Abst. 1718). Fan Pre 4460.

The former volumes of Abstracts show this abstracted
in Childress county only.

Very respectfully,
