 11 line of Hartley county  
 12 Be it remembered that whereas the location  
 13 of the East Boundary line of Hartley County  
 14 was incomplete in this, said location  
 15 did not give the distance of the several corners  
 16 of the different surveys along the line of said  
 17 East Boundary, and whereas Mr. E. F. Batte  
 18 the Surveyor who established said line for  
 19 Hartley County was by an order of this  
 20 Court required to make corrected field notes  
 21 and map of said line showing the dis-  
 22 tance between the corners of the several surveys  
 23 along said line and it appearing to the  
 24 Court that said field notes & map has been  
 25 so corrected & has been filed by said Sur-  
 26 veyor and that the same has been duly recorded  
 27 by the County Clerk. It is therefore ordered that cor-  
 28 rected field notes & map of said East boundary line  
 29 as returned and corrected by Mr. E. F. Batte Surveyor  
 30 and recorded by the County Clerk are accepted ap-  
 31 proved & adopted the said field notes and
