Hon. J. H. Walker,
Comr. General Land Office,
Austin, Texas.

Dear Sir :- Your letter of advice regarding County Boundary of Hutchinson and Hansford Counties came to the County Clerk and was referred to me just as I was leaving Spearman for two weeks.

Judge King will take the matter up with Judge Hood of Hutchinson county and prepare the certificates requested.

Immediately after Mr. Armstrong and I separated on Dec. 5th, 1928, he continued a survey of certain lines and filed a report accepting the South west corner of Hansford county, as existing, as a correct corner. This report is filed and recorded in the Hutchinson County Court records and signed by him alone. Was a copy of it filed in your office, or is it necessary.

Yours truly,

T. O. James
