

Jeff Davis County, |

No. 197, vs. |

February 23rd, 1903.

Presidio County. |

On this day in open Court the above entitled and numbered cause being regularly reached and called for trial, came both the Plaintiff and the defendant, by their attorneys, and announced ready for trial and a jury having been waived, submitted the issues of fact as well as of law to the Court.

And the Court having heard the pleadings, the evidence and the argument of counsel, and duly considered the same, and it appearing to the court that the true and correct boundary lines of said plaintiff, Jeff Davis County are as established and defined in the Act of the Legislature Approved March 15th, 1887, originally creating said Jeff Davis County, and are as follows, to-wit:

Beginning at what, at the time of the passage of said Act, was the North-west corner of Brewster County, the same being the South-west Corner of Section 10 in Block W. J. G. 5, then in ~~xxx~~ Presidio County; thence in a westwardly direction to the South-east corner of El Paso County on the Rio Grande River; thence along the line of El Paso County Northwardly to the corner of El Paso and Reeves Counties; thence South-wardly along what then constituted the north line of Presidio County to the North-east corner of said Brewster County; thence South-westwardly along the North boundary line of said Brewster County, as said line was defined by the Act of the Legislature originally creating said Brewster County to the place of beginning; and it further appearing to the Court that the true and correct boundary or dividing line between said Jeff Davis and Presidio Counties at the present time is the line described as follows, to-wit: Beginning at the South-east corner of Survey no. 36, certificate No. 3376, Original Grantee G. C. & S. F. Ry. Co.; thence due West to the South-west corner

of said Section 10, in Block W. J. G. 5; thence in a Westwardly direction to the South-east corner of El Paso County on the Rio Grande River; and that the same is marked and can be easily identified upon the ground; it is therefore the opinion of the Court that the plaintiff, Jeff Davis County, by reason of the premises, is entitled to the relief and to recover judgment against said defendant Presidio County, as prayed for in her petition.

It is therefore the order, judgment and decree of the Court that the boundary and division line between said plaintiff Jeff Davis County, and said defendant, Presidio County, be and the same is hereby established as follows, to-wit:

Beginning at the South-east corner of Survey No. 36, certificate No. 3376, Original Grantee G.C. & S. F. Ry. Co.; thence due West to the South-west corner of Section 10, in Block W. J. G. 5; thence in a westwardly direction to the South-east corner of El Paso County, on the Rio Grande River.

And it is the further order, judgment and decree of the Court that said Defendant, Presidio County, be and she is hereby prohibited, enjoined and forever hereafter restrained from assessing or collecting taxes, or causing the same to be assessed or collected upon land or other property situated within the boundaries of said Jeff Davis County, as said boundaries are defined in the said Act of the Legislature Approved March 15th, 1837, originally creating said Jeff Davis County, and as said boundaries are hereinbefore set out.

It is further ordered, that the plaintiff, Jeff Davis County do have and recover from the defendant, Presidio County, all costs in this behalf expended, for which let execution issue.
