Hon:  
W. A. McLaughlin  
Com: Gen. Land Office  
Austin -

My dear Sir -

In answer to your communication of Sept 19. I beg to say that I have (as far as I can find from my many field notes) no data that will help you with regard to the boundary line between Kerr & Kendall - I shall shortly be in that district and will take the opportunity to make connections & will then report.

I have the honor to be  
Yrs faithfully

R. A. Hester
