

September 9, 1935

Hon. W. H. Sewell,  
Follett,  
Texas.

Dear Judge:

I am in receipt of the following wire from Mr. Rupert C. Allen of Perryton:

" Forwarding by mail statement of errors in tentative instructions of Land Office of August 28. Desire that instructions not be made permanent on September 10th. Twichell Northwest corner of Lipscomb County inconsistent with Darling line recognized by District Court in Hemphill County in Hartley, Dallam County case."

Action on the tentative instructions for the survey of the Lipscomb-Ochiltree boundary, which was set for September 10th in my letter of August 28th to Mr. Allen and Mr. R.H. Ervin, will be held until receipt of the statement of errors mentioned. If this is received in the morning mail tomorrow, the 10th, the matter will be given prompt attention and interested parties notified of the Department's decision as soon as possible.

Very truly yours,

W-  
cwr
