To the Honorable Commissioners court
of Llano county, Texas.

I Wm, Kyle Surveyor of Llano county, having been appointed by your Honorable body on the 10th, day of May A. D. 1836. to survey in conjunction with the surveyor of Burnet county, that portion of the boundary line between Burnet and Llano counties, lying south of the Colorado river: having met said surveyor at the mouth of Slick rock creek, on the 9th, day of June 1836. being the time & place designated and began said survey to run, mark and establish said line, beg leave to submit the following field notes, and accompanying plat as my report of said survey and description of the line so established. both surveyors agreeing thereto, to wit: Beginning at a point 910 vrs, S. 52 E. of the N. W. cor, of the John Darlin sur, No, 4. where slick rock creek runs into an old channel of the river, through which old channel, we learn from the statements of old citizens, corroborated by the indications on the ground, that from the time the county was first settled until within the last few years a portion of the waters of the Colorado river passed at ordinarily low water mark: and that about ten or twelve

years ago, an overflow of said river, caused said channel to break through into the main channel above the mouth of Slick rock creek as it now stands, since which time the river at its ordinary stage does not flow through said channel below the point where said creek empties into the same as above stated. from which a pecan tree brs, S. 36. E. 29, vrs, a do, brs, S. 25^{1/2} W. 39. vrs, Thence South at 933 vrs, Willow spring branch at 1 mile a stone mound from which a Live oak brs, N. 48 E. 15 vrs, at 1 mile 1453 vrs, a ravine. at 1 mile 1520 vrs, Horse shoe creek at 2 miles, a stone mound from which a Live Oak brs, S. 15 E. 1 vrs, at 3 miles, a stone mound from which a Live Oak brs, S. 36.
