Mr. Von Rosenberg

Austin Texas,

Dear Sir:-

4 I am writing Mr. Robison, this mail for copies of West line of Baylor, County, west and east line of Hale, last 4 miles of same, and I wish that you would please see that it is gotten out at once. I am to leave here about the 12th of this month and want these notes before starting.

Crews, says that he made different corners to the Milington corners at the N. E. and N. W. Corners of Lubbock County, but that Mc made him accept the Milington line and Corners. Yet he says that his report will show his differerence. This is what I want, also I want his report of Childress County as made to the Commissioners court. I copied all the field notes, but did not copy the report and we may need it. This report is quite long, but you can tell how much of it I want. I only want his report of how he made the survey and how he obtained his bearings etc.

I want the West line Of Baylor County, because I think that our south line will be Govern by the south line of Bayloy County, and it will be necessary for us to run the west line of Baylor in order to determine how far south we should go from our N. E. Corner. I will certainly appreciate if you will get these things out to me at earliest convience, I am Very truly,

H. G. Guinn
