

Minutes Cons. Court, Feb Term 1896.

It appearing to the Court that some of the boundary lines of Menard County are not definitely established marked and defined according to law and it further appearing that a necessity exists for the establishing and definitely marking of same, It is therefore ordered by the Court that the West, South and East lines of Menard County, being so much of said East line as joins Mason County, are hereby ordered established, surveyed and definitely marked and it is further ordered by the Court that in making surveying and establishing the said lines that the Surveyor begin at the North West Corner of Menard County, from said corner he proceed to establish and mark the West line of Menard County and that he definitely mark the South West Corner of said Menard County, and from said South West corner he proceed to survey establish and mark the South line of said Menard County from said South West corner to when said South line of Menard County intersects the West line of Mason County; that at said point on the West line of Mason County he establish mark and define the South East Corner of said Menard County, the same being the North East Corner of Kimble County and from said point he proceed to survey establish mark & define the East line of Menard County (so much thereof as joins the County of Mason

on its West line) from said South East
corner to a point on the South line
of McCulloch County. It is further
ordered that the Survey Establishment
and marking of said lines shall begin
on the 28th day of May 1896, and it is
further ordered by the Court that
J. D. Hurley of Mason County be and is
herby appointed to run survey mark
& Establish said boundary lines
together with all corners above set
out and named. And that the Clerk
of this Court make Certified Copies
of this order and transmit same
to the Commissioners Courts of the
Counties of Kimble Mason & Sutton.
It appearing that the West boundary
line of Meuard County has been
heretofore surveyed & marked and
all sap lines having been measured
marked & platted it is ordered that
the surveyor in establishing the
said West line shall run the main
line only changing and moving mile
posts when found to be improperly
placed.
