RE: County Line between Menard
and Schleicher Counties,
Texas

Dear Sir:

Enclosed find original of affidavit pertaining to above referenced common boundary line between Menard County and Schleicher County, Texas, which has been approved and adopted by the Commissioners' Courts of each County. As you may recall, we researched this in the General Land Office some months ago and found that there are three different surveys for this line and this affidavit is intended to correct this discrepancy and approve one common line.

Your attention is called to the last paragraph of the affidavit wherein the Counties request letter of approval from the General Land Office.

Your assistance in channeling this through the proper departments will be greatly appreciated.

Sincerely yours,

Wm. C. Wilson, Jr.
