CO. & DISTRICT OF TEXAS
COUNTY CLERK

The State of Texas }
County of Midland } J. C. B. Lancaster
County Judge of Midland County
hereby certify - That W. J. Mosley County
Surveyor in Midland County and H. B.
Farver County Surveyor of Tom Green
County, commenced at the North
West corner of Coleman County as
requested by letter to said Mosley
signed by R. M. Hall Land Comm-
issioner of the State of Texas - and
from there run West 30 miles and es-
tablished North East corner of Tom Green
County - Thence West as per field notes des-
ignating each mile - for 60 miles to North
West corner of Tom Green County and N. E.
corner of Glascock County - Thence West 30
miles designating each mile as required by law
to North East corner of Midland County
as shown on the original field notes -
filed with State Land Commissioner -
And I further certify that I have caused
the said Mosley to correct the field notes of
Midland County and correctly file the
owners of same, and to define the lines so
as to show the number of acres in Midland
County of the fractional section in said
County along the lines of said Survey
in compliance with letter from R. M. Hall
Land Commissioner - dated 10th day of October A. D. 1888th and
that I do not believe the Martin County lines
are correctly run - as I understand they

Midland Co. Bdry Line 2

W. J.

1 commenced with corner of Howard county
2 and our surveyor run our lines from the
3 corner of Coleman, under the positive in-
4 structions of said Land commissioners and
5 that the proper officer of each county
6 was legally notified to appear at the
7 time and place designated and that
8 they wholly made default except the
9 said Larver surveyor of Torn Green Co
10 who assisted in running the said
11 lines - I as judge of the county court
12 call your attention to the law and
13 ask you to carefully examine the orig-
14 inal line to our county in the original
15 field notes - and then to examine the
16 amended field notes herewith and
17 if possible to accept them, as the
18 county has been to heavy expence to do
19 this work and it cannot be done
20 any more accurate -
