C. B. McGonagill, 762

County and District Clerk.

Midland, Texas,

728-1902

Hon Charles Ragan,
Austin, Texas.

Dear Sir - I have in my possession a certified copy
of Field notes and County Judge's Order, said field
notes being of survey of Midland County lines.

I have expressed certified copy of map
of this survey to your department.

Very truly

C. B. McGonagill

Clerk Midland Co.

Field Notes of Midland Co- Boundries and Connections.

By virtue of an order issued by the County Court of Midland Co., Tex., a certified copy of which is attached hereto and made a part hereof, and under instructions from the Commissioner of the General Land Office of the State of Texas, I, Capt. E. E. Eason, County Surveyor of Midland County, Tex., in company with J. M. Collard, County Surveyor of Hester Co., Tex., proceeded to the N.W. cor. of Coke County to begin the sur-

AN ORDER OF SURVEYING OF THE BOUNDARIES OF MIDLAND COUNTY, TEXAS.

It appearing to the County Court of Midland County, Texas, the the County Boundaries of Midland County have never been surveyed and established according to law and it appearing to the Court that it will be to the best interests of the County to have the said County Boundaries surveyed and established at once, - it is therefore ordered, adjudged and decreed by the Court that R. E. Estes, the County Surveyor of Midland County, Texas, be, and is hereby appointed to survey and establish

Midland Co. Bdry line # 4

40
5
61-57103 X³

the Boundary Lines of Midland County: and it further appearing to the Court from the instructions received from the Commissioner of the General Land Office, that the North West Corner of Coke County is the nearest established corner to Midland County, and it is ordered that said Surveyor do run and there establish the North West Corner of Midland County, and from said North West Corner of said Midland County, do establish to run the East, South, West and North lines of Midland County in accordance with the act approved August 27th 1891, Legislature page 251, and that in establishing the boundaries of said County he shall comply strictly with the articles 800 & 801 Sayles Revised Statutes 1897, and that the Court of said County be notified by the survey of Midland County, that the same shall be sent to the County Courts of each of said Counties, that they may appoint Surveyors to assist in running their lines if they so desire. Said Counties and their officials if they will be required to pay their pro rata of the expense of surveying and marking the dividing lines between them and Midland County according to Article 807 Sayles Revised Statutes 1897, that Surveyor will commence the survey of said County lines on Monday October 14th 1901.

Given under my hand and seal of the County Court of Midland County, Texas, this 12th day of October 1901.

The State of Texas:
County of Midland: I, _____, County Clerk, do hereby certify that the foregoing is a true and correct copy of an order of the County Court of Midland County, Texas, made by said Court on the _____ day of _____, 1901, as the same appears on the minutes of said Court.
Given under my hand and seal of the County Court of Midland County, Texas, this _____ day of _____, A.D. 1901.

For the County Court of Midland County, Texas, I, _____, County Clerk, do hereby certify that the foregoing is a true and correct copy of the field notes of _____, County Surveyor of Midland County, Texas, relating to the boundaries of said Midland County, as said field notes appear on page _____ in Volume Two (2) of the Minutes of the County Court of Midland County, Texas.
To Certify Which, I hereto sign my name officially and cause the seal of the County Court to be impressed hereon, this 28th day of February 1902.

Co. C. B. McCoy
County Clerk Midland County, Texas.
