1 On this the 16th day of November 1892, came on
2 to be heard the report of John P. Looney, County
3 Surveyor of Milam County, Texas, who, at a former
4 Term of this Court, to wit: On the 18th day of
5 February 1892, was ordered to survey and
6 define the County lines between Lee County and
7 Milam County, and Burleson County and
8 Milam County, and after a careful exam-
9 ination by the Court, said report be, and is
10 hereby in all things approved, and the clerk
11 is ordered to record said report which is
12 as follows to wit:

13 Boundary line between Burleson and Milam
14 Counties

The State of Texas
County of Milam }

Whereas at a special
Term of the Commissioners Court of Milam
County Texas held on 18th day of Feb Ad.
1892 an order was passed to have the
boundary lines of Milam County more
definitely defined and J. P. Looney Co. Surveyor
of Milam Co. was appointed to survey
and ~~define~~ said lines and to make
connections with the original and
individual surveys through which said
line runs jointly with such other
surveyor as might be appointed by
The Commissioners Court of the other
adjoining counties. and whereas
Burlison county was properly notified
of the action of the court of Milam
County and did at their

Term of said court
appoint Jno G. Halcyon of Burlison County
Surveyor of Burlison Co Tex- to assist in
said survey. and the 12th day of Sept Ad.
1892. was appointed by said Surveyors to
meet at yellow Prairie in Burlison County
Texas. and at the appointed time and
place the said Surveyors did ^{meet} ~~meet~~
and being accompanied with A. T.
Vetter Co Surveyor of Lee Co Texas
{ who was appointed to assist in
running the Lee Co line with
said Looney } and we went to the
N. E. corner of the St. E. Lewis League
and the west bank of the Brazos

1 River and from There we found an old
 2 blazed and an old two hatched line
 3 bearing S. 60 W. with a magnetic
 4 variation of $8^{\circ} 45' E$. and we ran it
 5 through to the corner on of the Burleson
 6 Co. East line which proved to be
 7 as we think the old Burleson +
 8 Milam Co. line.

9 We hereby accept said old blazed
 10 line as the true boundary line
